502290 - Influenza Training

The purpose of this e-Learning course is to provide avian influenza (AI) and pandemic influenza awareness among Coast Guard personnel. The United States Coast Guard Pandemic Influenza Strategic Plan addresses how to protect its employees, how to maintain essential functions and services, how to execute department responsibilities in support of the Federal response, and how to establish viable ways to communicate messages about pandemic planning and response to the department's stakeholders.

502306 - Ethics 1 - Personal Gifts

Ethical Conduct is a self-paced, interactive lesson with tracking capabilities to demonstrate test completion and time on task.

502319 - Civil Rights Awareness

The purpose of this course is to provide Coast Guard Auxiliary personnel an overview of the various concepts related to civil rights, information on the Auxiliary's Civil Rights Program, and how to ensure the protection of all Auxiliarists' civil rights. New Information (as of August 11, 2013): An online version of this course is now available and also will be available as a live and Webinar course at NACON 2013 in San Diego. See course description for more information.

502379 - Workforce Resilience

Building Resilience and Preventing Suicide in the Coast Guard and Sexual Assault Prevention/Response.

810000 - Sexual Harassment Prevention

March 2020 - Events
